## EDUCATION

### Matriculation

#### Cadet College Ghotki

2021 - 2022

### Intermediate

#### Jam Mumtaz Degree College

#### Ubauro

2023 - 2024

### BS Software Engineering

Shaheed Zulfiqar Ali Bhutto Institute of  
Science and Technology, Islamabad  
University

2024 - Present

## SKILLS

- HTML ,CSS & Basic Python
- Object Oriented Programming
- Basic Data Structure
- Problem Solving
- Software Engineering Fundamentals
- Time Management
- MS Office
- Git & GitHub
- Good Communication
- Basic Prompt Engineering

## LANGUAGE

English

Urdu

## About Me

Dedicated Software Engineering student currently in the 4th semester with a strong interest in python (backend development), Machine Learning and software systems. Seeking internship or tech role/opportunities to gain practical experience, enhance programming skills, and learn industry-standard development practices. Passionate about continuous learning and building real-world technical expertise.

## EXPERIENCE

### Software Development Learning Experience

Self-Learning & Academic Projects | 2024 – Present

- Learning programming concepts including Object Oriented Programming (OOP) and problem solving.
- Practicing coding through academic assignments and personal projects.
- Exploring backend development concepts and modern development tools.

### Digital Marketing, Lead Generation & Social Media Advertising

Freelance Projects | 2021 – 2024

- Generated leads through Facebook by identifying target audiences and applying outreach strategies
- Designed YouTube thumbnails using basic graphic tools to improve visual engagement and content presentation
- Assisted in creating marketing content and improving online presence for small projects and clients
- Planned and executed Facebook advertising campaigns to achieve client marketing objectives and target goals.

## PROJECTS

Contact Management System  
(Basic C++ Project)

Jarvis-style Voice Assistant  
(Python Project)

Auto Chatbot (Python  
Project)

Personal Website Project  
(AI Based Latest Design Built)

## CERTIFICATION

**Certificate of Coding Environment**  
Great Learning

**Certificate of DigitalUnlocked-Marketing**  
Google

**Certificate of Basic Data Analytics**  
Google & Coursera
